

Some Ways to be a Participant in www.CreativeDivorce.net

If you would like to be a part of the Creative Divorce Network team, here are some things you can do to help:

- **Suggest edits:** The texts for the Four Paths to avoid litigation are always open to informed editing. So are the various outlines on the right sidebar of the website.
- **Suggest features:** Have you read a useful book about divorce? Or perhaps an excellent article? Suggest a review, or better yet, write the review yourself.
- **Do a lead video:** If you have an interesting and helpful idea as to how to answer the question “What is a creative divorce,” submit an outline of what you would like to say.
- **Scripts for Litigious & Cedric:** Would you like to offer some really bad advice about divorce? Write a script for Litigious, and then also write one for Cedric to set the record straight.
- **Links to websites:** Is there another organizational website that you find helpful? Give us the link.
- **Subjects for the Divorce Agreement Newsletter:** This comes out every three weeks. Send us some ideas for a future issue. You can also suggest edits when it’s written.
- **The future of the website:** Let us have your ideas. The sky’s the limit!
